 **DECATUR** *healing arts*

Salt therapy has been used for centuries to support respiratory health, skin rejuvenation, and immune function. Our Salt Therapy Room is designed for deep relaxation, featuring 55 pounds of Himalayan salt and a soothing glowing salt brick wall to promote a sense of calm and well-being. During your session, a Halogenerator disperses fine medical-grade salt mist, enhancing the therapeutic benefits. Settle into a cozy lounge chair, meditate, read, or simply unwind in a private or shared experience with optional curtain dividers.
